Decision date:
25 May 2010

Order Ref: FPS/U1050/7/24M

- This Order is made under Section 53(2)(b) of the Wildlife and Countryside Act 1981 and is known as the Derbyshire County Council (Public Footpath No 17 – Parish of Little Eaton) Modification Order 2003. It was sealed on 30 January 2003.
- The Order proposes to add to the Definitive Map and Statement a footpath forming a continuation of Footpath No 17 running from the east side of Duffield Road Industrial Estate service road to Ford Lane, Little Eaton, as detailed on the Order Map and Schedule.
- In accordance with Paragraph 8(2) of Schedule 15 to the Wildlife and Countryside Act 1981 I have given notice of my proposal to confirm the Order with modifications to specify the width of the claimed footpath and correct other details.

Summary of Decision: The Order is confirmed subject to the modifications that I proposed previously.

The Main Issues

1. The effect of this Order if confirmed subject to the modifications I proposed in paragraph 28 of my interim decision issued on 5 February 2010 would be to add to the Definitive Map for the area a footpath starting from the current termination point of Footpath 17, Little Eaton and running generally south south-westwards to join Ford Lane, Little Eaton opposite the start of Footpath 23. This section of the path would be 1.8 metres wide with stiles at each end.
2. No representations or objections have been made to the proposal following advertisement of the notice and deposit of the associated documents relating to the proposed modifications.

Conclusions

3. Bearing in mind the above, I conclude that the Order should be confirmed subject to the modifications set out in paragraph 28 of my interim decision dated 5 February 2010.

Formal Decision

4. I confirm the Order subject to the following modifications:

In the Schedule to the Order, Part I, amend the grid reference given for Point A to SK 36319 40589 not SK 36316 40585;

In the Schedule to the Order, Part II, add alongside the description of the Order route the width "*1.8 metres*";

In the Schedule to the Order, Part II, delete the reference to a stile at grid reference 36300 40556 and add reference to a stile at grid reference 36195 40089.
